EDUCATION

2023
Bachelor Of Science in Computer Science and Engineering
Brac University
CGPA:3.87

2017
Higher Secondary School Certificate
Rajuk Uttara Model College
GPA : 5.00

2015
Secondary School Certificate
Rajuk Uttara Model College
GPA : 5.00

PROFILE INFO

I have a keen interest in technology and am a diligent, goal-oriented individual. I recently received my degree from BRAC University, where I studied computer science and engineering in depth. I can interact successfully with a wide range of people because I have effective communication skills. I'm looking for a job where I can put my knowledge and abilities to use, which will eventually improve the business operations where I work.

WORK EXPERIENCE

Student Tutor
Brac University

October 2021- January 2023

- Tutored students in one-to-one and small group sessions to progress learning.
- Encouraged students to persevere with difficult tasks to prepare for later learning.
- Took weekly tutorials and consultation sessions for nearly 60 students.
- Involved in the preparation of assignments and script-checking.
- Analysed student progress and prepared feedback to improve test results.
